## MILITARY AND FAMILY LIFE COUNSELOR PROGRAM

Military families face unique challenges. They may struggle with issues such as deployment-related stress, reintegration and pressures of managing parenting and finances while a loved one is deployed.

To support military families facing these or additional challenges, the MFLC program:

- » Provides short-term, non-medical counseling services to service members and their families at no cost
- » Provides psycho-education to help military service members and their families understand the impact of deployments, family reunions following deployments and other stresses related to the military life
- » Augments existing military support services
- » Offers flexible service delivery
- » Can provide services on or off of military installations
- » Can provide services to individuals, couples, families and groups

With the exception of child abuse, domestic abuse and duty to warn situations services are private and confidential.
